Background Information

TEMPORARY APPOINTMENT (FAST TRACK)

Closing Date: 3 January 2021 (5 pm New York time)

Duration: 6 months (With possibility of extension)

Duty Station: Maungdaw, Myanmar

Organizational Setting

The Position:

Under the overall guidance of UNFPA Deputy Representative and with direct supervision of the Head of Rakhine Office, based in Sittwe, the Programme Coordinator, GBV/SRHR, is located in the sub-office in Maungdaw, Rakhine State.

How you can make a difference:

UNFPA is the lead UN agency for delivering a world where every pregnancy is wanted, every childbirth is safe and every young person's potential is fulfilled. UNFPA's new strategic plan (2018-2021), focuses on three transformative results: to end preventable maternal deaths; end unmet need for family planning; and end gender-based violence and harmful practices.

In a world where fundamental human rights are at risk, we need principled and ethical staff, who embody these international norms and standards, and who will defend them courageously and with full conviction.

UNFPA is seeking candidates that transform, inspire and deliver high impact and sustained results; we need staff who are transparent, exceptional in how they manage the resources entrusted to them and who commit to deliver excellence in programme results.

Job Purpose:

UNFPA's Fourth Country Programme Document (2018-2022) for Myanmar was approved by the Executive Board in September 2017. The Programme focuses on three key areas of intervention 1) sexual and reproductive health) 2) gender equality and women's empowerment and 3) population dynamics. The proposed Country Programme is aligned with new UNFPA's Strategic Plan (2018-2021) and the first United Nations Development Assistance Framework (2018-2021). Youth and adolescents as well as gender equality and related human rights, are mainstreamed throughout the programme. UNFPA has partnerships with the government departments, UN agencies, INGOs and local NGOs, foundations and research institutions. UNFPA has a presence in a number of priority states/regions, integrating development, peace building and humanitarian spectrums.

UNFPA has launched the second phase of the "Women and Girls First" Programme (2019-2022), which is a large multi-year, multi-donor initiative, that provides knowledge and technical leadership in partnership with civil society organizations and a wide range of national stakeholders to advance: gender equality, improving sexual and reproductive health and rights (SRHR) services, responding to

and preventing gender based violence (GBV) and integrating of Mental Health and Psychosocial Support (MHPSS).

Emergency preparedness and humanitarian assistance are integrated in UNFPA's work in Myanmar and are an important aspect in its proposed fourth country programme (2018-2022). UNFPA, in line with its global strategy, contributes to strengthening national capacity to provide sexual and reproductive health services, gender based violence prevention and response and the use of population and rights-based data in humanitarian settings.

The programme coordinator, GBV/SRHR will lead implementation of UNFPA's GBV/SRHR programme in Northern Rakhine which bridges the humanitarian-development-peacebuilding making strategic linkages with UNFPA's overall programme in northern Rakhine, including GBV, SRHR, MHPSS, and youth activities. The programme coordinator is directly responsible for the implementation and coordination of GBV/SRHR programming with government counterparts, NGOs and civil society partners; and representation of UNFPA in the inter-agency coordination platform. The programme coordinator, GBV/SRHR is also expected to lead COVID-19 response and recovery interventions in Northern Rakhine under the overall framework of UN Framework for the Immediate Socio-economic Response to COVID-19 in Myanmar.

Main Tasks & Responsibilities

You would be responsible for:

A. Partnerships and Coordination

- Represent UNFPA in relevant inter-agency/sector meetings, consultations and workshops, provide feedback on GBV/SRHR at sub-national and local level to State Health Department, Department of Social Welfare and other key stakeholders.
- Coordinate and regularly update the mapping of stakeholders and health service facilities relevant for GBV/SRH service provision
- Liaise with health and protection staff in other agencies and organizations (including governments, national and international NGOs and women's groups) for coherent programme intervention and integration of SRHR and GBV.
- Ensure the coordination and integration between all components of the Women and Girls First Programme and other programmes, in Northern Rakhine, in particular the integration between SRHR, GBV, Gender, MHPSS, Youth Programming, Peace Building and Development.
- Establish linkages with existing SRHR, Gender, and HIV programmes to ensure synergies between programmes and maximize programme impact, working closely with offices in Nay Pyi Taw, Yangon, Sittwe and other locations.
- Coordinate with relevant health and protection partners to ensure implementation of UN Framework for the Immediate Socio-Economic Response to COVID-19 in Myanmar, especially for Pillar 1: Health First and Pillar 2: Protecting People in Rakhine, as well as provide required technical support to both government and NGOs partners for their COVID-19 response and recovery activities.
- Represent Maungdaw Inter Agency Group (MIAG) on the Rakhine COVID 19 Task Team and ensure effective representation for MIAG on COVID 19 related issues including the state of quarantine facilities, COVID 19 awareness activities in northern Rakhine and COVID 19 related requirements for staff based in northern Rakhine

B. Technical Support and Programming:

- Provide analysis of the political, social and economic environment relevant to population and development, sexual and reproductive health and gender/GBV, and identify opportunities for UNFPA assistance and intervention.
- Keep abreast of international best practices, guidelines and legal frameworks as well as new national policy developments and strategies, plans and development frameworks and prepare briefs and provide inputs for policy dialogue, technical assistance coordination, and development frameworks.
- Use and systematically apply standard guidelines and protocols such as the MISP, Interagency Field Manual for SRH in Crises, the Essential Service Packages for Women and Girls subject to Violence, Minimum Standards for Prevention and Response to Gender-based Violence in Emergencies and related instruments during assessment, planning and implementation of all programming.
- Support the implementation of quality SRHR and GBV integrated programmes in Northern Rakhine, including COVID-19 response and recovery interventions, to empower women and young people and improve their access to SRHR and GBV services, including technical guidance, reporting, and financial management and monitoring of activities. Ensure continuity of life-saving GBV and SRHR interventions during humanitarian settings, including COVID-19.
- Support the development/revision of GBV/SRHR specific and related assessment tools as well as support the integration of protection and SRHR concerns into multi sectoral assessments.
- Provide technical support and guidance to the IPs in order to ensure high quality implementation of programme activities as well as to ensure service continuity in humanitarian settings, including COVID-19.
- Support development and adaptation of GBV/SRHR IEC material as well as structured training curriculums.
- Provide technical support in the development/strengthening of humanitarian/recovery coordination mechanisms in place in Northern Rakhine.
- Coordinate, develop and facilitate relevant GBV and SRHR training sessions for partners to support a human integrated rights-based approaches including implementation of standard operating procedures.
- Provide technical support to the development of relevant advocacy and policy documents to address SRHR and GBV needs and broader gender issues at the district/township level.
- Support proposal development and engage in resource mobilization efforts to support joint programming and strengthen coherence in programme delivery.

C. Capacity Building

- Lead development of training material suitable to meet the needs of partners and organizations in Northern Rakhine.
- Support development of IEC material in line with international best practices, including field testing.
- Coordinate and facilitate training sessions on GBV and SRHR for government and nongovernment actors, such as health care providers, non-governmental organizations, the IDP population, women groups, youth groups and peace groups, etc.
- Support development of capacity building strategies to ensure both linkages between SRHR, GBV, MHPSS and Youth but also across humanitarian, peace building and development spectrums of intervention.

D. Monitoring, Evaluation and Reporting

- Ensure timely and high quality implementation of UNFPA's programmes in Northern Rakhine while addressing constraints posed by ongoing conflict and COVID-19 restrictions.
- Develop monthly reports that capture relevant information and that support the analysis and evaluation of program progress and outcomes.
- Collect and compile programme activity information and provide support for the development of annual donor reports, monitoring and evaluating progress toward achievement of programme outcomes.
- Regularly and closely follow up with partners in the field and liaise with their Sittwe/Yangon counterparts in all aspects of planning, programming, implementation and review.
- Undertake field monitoring visits in Northern Rakhine to verify quality of project activities as well as arrange periodic project assessment and review with counterparts and other partners.
- Consolidate existing assessments on SRHR and GBV situation in that setting and/or engage the displaced, returnee and host populations in conducting relevant participatory analyses, rapid needs assessments, etc.

E. Management responsibilities:

- Manage the sub-office in Maungdaw and supervise the staff.
- Ensure full awareness and adherence to all organizational policies (travel, vehicle, procurement, human resources, etc.)
- Ensure organizational equipment and assets are maintained and used in accordance with UNFPA policies and business practice.
- Support supervisees to develop Performance Appraisal and Development plans and provide regular feedback and support to facilitate professional development of staff; and ensure their safety and wellbeing.
- Oversee the development of action plans and help to bring innovations to programming in collaboration with various sectors/clusters and the network of UNFPA partners.
- Write monthly work plans, monthly reports, and other reports as needed or requested.
- Perform any other duties as assigned by UNFPA.

Qualifications and Experience

Education:

Advanced university degree in medicine, public health, international development, social sciences, gender/GBV or other related field.

Knowledge and Experience:

- A minimum of 5 years of SRHR and/or GBV professional experience, with preference for a candidate demonstrating the familiarity in both.
- Knowledge of gender issues in development, particularly regarding SRHR and GBV including relevant international human rights standards; and operational and advocacy experience implementing UNSC resolutions on Women, Peace and Security (1325, 1820, 1888, 1889 and 1960, 2347) and Youth, Peace and Security (2050) as an asset; or knowledge and practical experience in sexual reproductive health and rights programming in humanitarian and post-conflict recovery settings, including GBV-SRHR integrated programme;
- Experience and capacity in development and delivery of GBV/SRHR training components to government, NGO, and community level participants.
- Demonstrated leadership, facilitation, and team working skills and ability to establish harmonious working relations in an international and multicultural environment.
- Demonstrated representational, leadership and management skills.
- Excellent computer literacy (windows environment, MS office applications including Word, Excel and Power-point and Internet skills).
